

PICKLEBALL LESSONS

Wondering what it's all about?

Looking for exercise with a big dose of FUN?

Pickleball, part tennis, part ping-pong, and part badminton, is one of the fastest growing sports today. Pickleball is played on a badminton size court with a lowered net. It is played with a perforated plastic ball, similar to a whiffle ball, and wood or composite paddles. The game is easy to learn and requires little athletic ability. You can play at a slow level, or at a highly competitive level.
