

Parking at Wrightsville Beach Municipal Complex

Parking in the Municipal Complex which includes Town Hall, Wrightsville Beach Park, and the Wrightsville Beach Museum, requires a pay station receipt in order to park in these areas. Paid parking is enforced from **March 1st through October 31st, 9:00 a.m. to 7:00 p.m. daily at the rate of \$5.00 per hour. However, the first two hours of parking are free with a valid parking receipt which must be displayed on the vehicle dash.** You may obtain a parking receipt from one of the pay stations that are located by the softball field, park restroom/tennis court area, across from the main entrance of Town Hall, and at the Museum and Visitor Center (see map). If you select more than two hours at the pay station, you will not be charged for the first two hours. If you select two hours or less, but find you will be staying longer, you may return to the pay station and obtain a new parking receipt with another two free hours. **Wrightsville Beach Residents may display their residential hang tag in lieu of a parking receipt.**

If you hold a reservation for facility use in Wrightsville Beach Park, you are entitled to use the **Event Parking Lot** as indicated on the map. This area is not a pay-to-park area and a parking receipt is not required in the vehicle dash. ***If you choose to park in a paid parking lot, you will be required to pay for parking as described above, even with a facility reservation.***
