Outdoor Children's Theater in the Park

Performance Club is a theatrical program that teaches all aspects of performance with a focus on fun! We are taking our program outside on the Wrightsville Beach Park stage where there is plenty of room to sing, dance and act! We'll play improv games, develop characters, dig into the prop box, tell jokes, learn choreography from our favorite shows and create scenes to perform for a final video showcase! This program meets twice a week to provide consistency and an excellent "dramatic" addition to your child's remote learning curriculum.
