Fax: (910)256-7918

To: All who visit the Town of Wrightsville Beach
From: Chief of Police Dave Squires
Re: We hope you have a wonderful visit

Let me be one of the first to welcome you to the Town of Wrightsville Beach. My team and I hope you have a wonderful visit, and that you return often.

We also hope you will take the following steps to increase your safety and enjoyment.

Please remember to always swim near a lifeguard. Members of the Ocean Rescue Squad are on duty between 10:00 a.m. to 5:00 p.m., 7 days per week from Memorial Day through Labor Day.

Please remember that there will likely be traffic congestion especially as people attempt to find parking spots early in the day. Please don't add to the problems of congestion by stopping in a traffic lane waiting for a spot to open.

Please be respectful of all of the other people around you by respecting our noise ordinance.

Please take a look at the beach rules you will see posted at every beach access point. The fines for violating these rules range from \$100-\$250. Many of the ordinances are focused on the health of our beach strand, maintaining the waters that surround us, and the protecting animals that call this place home. Please avoid the strain of a citation by knowing the rules, which can be read at this link:
